

**The University of Alabama
Incomplete "I" Grade Agreement Form**

<https://as.ua.edu/faculty-resources/>

Incomplete "I" grades should be recorded only in exceptional cases when: the student (a) has completed a substantial portion of the course and who is otherwise passing, (b) is unable to complete a well-defined portion of a course for reasons beyond the student's control, and (c) in the instructor's judgment, can complete the required work without repeating the course.

While The University of Alabama policy requires all grades of "I" to be removed no later than 12 months after the end of the term in which they were awarded but prior to the student's graduation or the grade of "I" will be changed to an "F," the instructor can establish an earlier deadline. The "I" may not be used as a means to re-enroll in a course during a subsequent semester. Also, a grade of "I" may not be used to satisfy a prerequisite requirement so students should be prepared to make needed adjustments to any course in the upcoming semester. For more details, see Grades and Grade Points in the Academic Catalog, <https://catalog.ua.edu/>.

This agreement is specific for the course below and is for the opportunity to complete missing work for the course, not to re-do assignments that were already attempted/completed. Failure to complete the required work by the agreed upon due date will result in the instructor changing the grade to an "F."
